MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Ceiling and Position Authorization
REFERENCE: Memo for A-DD/S from SSA-DD/S, dtd

1. Paragraphs 3 and 4 of this memorandum contain recommendations for approval by DD/S.

2. In developing the lists of those support positions on the DD/P T/O for which ceiling authorization is to be transferred to DD/S elements in compliance with [REDACTED] this Staff, working with the DD/P and DD/S elements involved did not list the GS-15 Finance Officer position in [REDACTED] (Job No. BFF-3163) nor the GS-9 Fiscal Accounting Assistant position (Job No. BFF-3857) in the [REDACTED] Finance Section. They were not listed due to the earlier intention of the FE Division to eliminate the positions when the present incumbents completed their tour.

In view of this change we have advised the Comptroller that this position will be retained until vacated and will be covered under the Glendestine Services Career Service ceiling.

4. The [REDACTED] position was not listed due to a past intention to abolish activity at that location. Since the decision to abolish the activity now appears to be in the indefinite future, we recommend

MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Ceiling and Position Authorization

REFERENCE: Memo dtd 19 May 59 to DD/S fr SSA-DD/S, same subject

1. The GS-15 Finance Officer position referred to in paragraph 3. has been an SF position since its inception and has been occupied entirely by an SF official. As long as there is a requirement for the services of a GS-15 Finance Officer and the position is occupied by an SF employee, the position and ceiling should be carried in the SF Career Service staffing pattern and ceiling. If and when the position is eliminated in 1960, it should be available to the SF Career Service together with the ceiling to meet the demands for additional positions at other locations. (At the present time, the SF Career Service has a request from AF Division to supply an additional SF position in [REDACTED] and a cable request for another SF employee in [REDACTED]. We can only fill such requests by the elimination of SF positions elsewhere.)

2. In my opinion, the Clandestine Services Career Service has absolutely no claim to this position or ceiling and should it be decided not to transfer the position to the SF Career Service when the need no longer exists, then the elimination of the position should be applied as a reduction of one (1) position in the overall Agency ceiling. Neither do I believe that DE/P has any claim to SF Position No. SFP 3246 - GS-12, which is being eliminated at [REDACTED] particularly when demands have been levied upon the SF Career Service at two other overseas stations. It does not seem reasonable, fair or equitable to take away SF positions and at the same time request additional SF positions. One should at least offset the other.
